

under paragraphs (b) and (c) of this section is the largest annual rate resulting from averaging the individual's rates of basic pay in effect over any 3 consecutive years of creditable service or, in the case of an annuity based on service of less than 3 years, over the total period of creditable service, with each rate weighted by the period it was in effect.

(2) For the purposes of paragraph (d)(1) of this section, service is considered creditable if it is creditable under either CSRS or FERS.

(e)(1) The cost-of-living adjustments for the annuities of individuals electing FERS coverage are made as follows:

(i) The portion of the annuity computed under paragraph (b) of this section is adjusted as provided under CSRS.

(ii) The portion of the annuity computed under paragraph (c) of this section is adjusted as provided under FERS.

(2) An annuity initially payable to an annuitant's survivor (other than a child under part 843, subpart D of this chapter) is increased by the total percent by which the annuitant's annuity was increased under this paragraph. Thereafter, the survivor annuity is adjusted for cost-of-living increases under 5 U.S.C. 8462.

(f) In computing an annuity under paragraph (a) of this section for an employee retiring under § 842.204(a)(1) or § 842.212(b) of this chapter, any reduction for age required by § 842.404 of this chapter applies to the sum computed under paragraph (a) of this section. No reduction under CSRS is applicable.

(g) In computing an annuity under paragraph (a) of this section for an employee retiring early under § 842.205 of this chapter or involuntarily under § 842.206 of this chapter, the reduction for age required by 5 U.S.C. 8339(h) applies to the portion of the annuity computed under CSRS provisions.

(h) In computing an annuity under paragraph (a) for an employee retiring as a firefighter or law enforcement officer under § 842.208 of this chapter or as an air traffic controller under § 842.207 of this chapter, there is no applicable reduction for age.

(i) An annuity supplement under part 842, subpart E of this chapter, is computed using the same civilian service used for the computation under paragraph (c) of this section.

(j) An alternative form of annuity for a basic annuity computed under paragraph (a) of this section is computed as follows:

(1) The alternative benefit for the portion of the annuity computed under paragraph (b) of this section is computed under CSRS as provided in part 831, subpart V of this chapter, except that a refund of CSRS contributions based on a refund application filed after the individual elects FERS coverage may not be deemed to be redeposited under § 831.2206 of this chapter if the individual is entitled to a deferred annuity under § 842.212 of this chapter.

(2) The alternative benefit for the portion of the annuity computed under paragraph (c) of this section is computed under FERS as provided in part 842, subpart G of this chapter.

§ 846.305 General inapplicability of CSRS provisions.

(a) Except as provided by this part, CSRS provisions are not applicable with respect to an individual who elects FERS coverage.

(b) An employee (or an employee's survivor for the purposes of a survivor annuity) may make a deposit under CSRS for any civilian service under § 846.302(c) of this part or military service under § 846.303.

(c) Nothing in paragraph (a) of this section precludes the payment of any lump-sum credit (as defined in 5 U.S.C. 8331(8)) in accordance with part 831, subpart T of this chapter.

Subpart D—Refunds of CSRS Contributions

§ 846.401 Refunds of excess contributions.

(a) An individual who elects FERS coverage is entitled to a refund of CSRS contributions made prior to the effective date of the election for service that is subject to FERS computation under § 846.304(c) (if not already refunded) which exceed the contributions
